On Sunday night, Danny and Jimmy were addicted to reading comics. At first, they planned to go to bed after they finished the comics, but they didn't sleep until 1 am after reading.

The next day, Danny woke up first. Next, he talked to his brother and said 'Wake up, Jimmy! It's time to go to school.' Then Danny looked at the clock and showed the time was seven forty-five! They were very worried that would be late and they left their beds immediately and put on their school uniform quickly.

After that, Danny wanted to travel by taxi. But Jimmy thought travelling by taxi was too expensive. But they didn't want to be late and they wanted to arrive at school soon, so they travelled by taxi.

Then Danny and Jimmy were in the taxi but there was a car accident and made them stuck in traffic. Therefore, Danny said 'Oh no, there was a traffic accident ahead.' Then Jimmy said 'if I knew I would get stuck in traffic, I wouldn't take a taxi. I'm done. I'm going to be late! Oh no!'

Finally, Danny and Jimmy couldn't wait anymore, it had been so long. Then they ran back to school after paying the fee. Fortunately, in the end, they were not late and they learnt that they shouldn't go to bed so late, they should go to bed early and get up early.
